2. The estimate as scrutinised in this office as schedule of rates in force reduces itself from 45,000 to Rs 44,780.

3. The Special Engineer, in the estimate prepared by him, had provided for steel beams measuring 9" x 4" According to specifications, steel beams of this section cannot resist a load of 8 tons for 12 feet span. Hence provision for girders of 10" x 5" has been made. This can bear a load of 12 tons. The excess on this account, is Rs 397.

4. Provision for zinc spouts with down pipes for the terraced roof has not been made. A lumpsum provision of Rs 460 has now been made for this item of work.

5. Rates for the undermentioned items of works are higher than the scheduled rates. The rates have been cut down -

Reg. No. 6922

Submitted to His Highness

In the scheme sanctioned by Government for the construction of the General Market in the Bangalore City, no provision had been made for the construction of Grain Bazaar. In July 1921 the then Executive Engineer in charge of the City Improvement Division submitted to the Municipal Council a sketch plan for the construction of 51 grain shops in two rows in the vacant space that is available after the construction of the Market as per sanctioned plan, but no further action was taken in the matter for want of funds. Again in March 1924 an estimate amounting to Rs 51,000/- for building 35 shops was sanctioned by the Municipal Council but further action was deferred.

2 The Municipal Council have now got up and submitted scheme for the construction of 29 shops in two rows in the same place that has been already decided upon, in accordance with the design fixed upon the requirement of the merchants.

3 The estimate submitted by the Municipal Council has been scrutinised in the Chief Engineer's Office in accordance with the schedule of rates in force and the same has been reduced from Rs 45,000 to Rs 44,780.

4 The draft sanctioning the estimate for Rs 44,780 as scrutinised by the Chief Engineer may be graciously approved.

S i r,

I have the honor to submit herewith for sanction of Government, an estimate amounting to Rs 45,000/- for the construction of a Grain Bazaar in the New Market, Bangalore City, together with plans, explanatory report and a copy of the Municipal Council's resolution dated the 16th ultimo, approving of the same.

2. The estimate provides for 29 shops The accompanying report explains the necessity for the same.

3. The entire cost of the building will be borne by the Municipality, as in the case of the Cloth Bazaar, and the shops on the Sethu Rao Street The whole scheme is a self supporting one and is expected to yield an annual outturn of 11.6 % on the capital invested.

4. A sum of Rs 30,000/- is provided in the current year's Budget for this work and provision will be made for the balance of Rs 15,000/- in the next year's budget Early sanction of the same is requested as action is being taken to consider tenders
